1980	GOLD $200 (Mintage 1166 !) (Scarce) Proof.....$	1,150

Not Listed? - We have large stocks of quality Fijian coins and decimal issues too numerous to list. Please send SAE with your "want list" for prices by return. Due to the low mintages of the Fijian series and scarcity of quality material, the potential for continued upward movement in prices cannot be overstated.
